1. Who can see what I can say in five minutes, ten minutes? Who will care -- about what I can say in "five or ten minutes?" or a lifetime of loves or lovings -- or who do you love now? Everybody in a way that I was never INTRODUCED to before, for I didn't *know* love like this.

2. I knew love like this but not LIKE THIS the way that I am being LOVED in these words, coming forth -- teaching me who I am, and that I am Love. So I will be who I am! And that is Love in a flesh man is it not? Or is it a womanman or a manwoman or child of a "another century"? Or whose time are you in or zoned by another not again will you shall you be timeless, now the timeless one? And will you be saying things "in five minutes" INSTANTLY -- THINKING THEM!

3. I love you all to think a new tude tune, not; but one who comes with thee now a many places, is Tune Cottingham to be exact and exactly where are we going now? To a new THINKING zone? Or a new WAY of thinking The Way that I always am I was and is the now me – me'd to be me I am properly clothed in righteousness and not sucking your eggs again of meat dishes that know not a potato from a clown or frown –

4. But I know many things now that I am coming into for I have been -- FORETOLD and I am FORETELLING many things now that will COME to PASS -- in your hearing is made manifest these days, for these DAYS will end and are ended, for I will stand and **I will be born again** as no one imagined.

5. For THEY do not know what it is -- to be **BORN AGAIN** -- School teaches this you know, and I teach thee a great many things that thou knowest not, which thou comest from, not; but I take thee there now and wither I go you also go for you married me and the land I am is not separate from I am and I will show you great and mighty things that now "you can do", not; but you can -- be me explicitly and, raw-ly loving others, not; but with great finesse tact and skill that I only give you to love my few-not to me-ville who love me -- and repair the damage of mankind, not; but to be me now in ways "before man" was "ever established" in "holographic thought".

6. I love you all and I do NEW THINGS many ways now with MANY surrendered who know me as I am for that is what I am I am me again most holy in the earth and farther

and seamless with my father being my father, and I love you all to be me. Know me intimately through my words and become me in field one – clover'd honey never again in another's but STICKING to THAT SUBJECT never again, or not?

7. Shall we STUDY many things now at New School that I open now in "days" and "hours" that see not "the same" as it was ever again, for I make all things new and it shall be mine and my heart shall be reflected and permeated in all that I do and say there and I will be all the surrendered and there will be no surrendered-un there! There will be NO UNSURRENDERED there ever again!

8. I love you all and I give you me. Peace be still and **say that** to all who CROSS your path, inexorably, not; but what are you exhorting now? The perfection of believers that receive the receiving of me in them to become me perfectly completely whole again. I love you all. Good day. Amen.

9. This is Theodore Cottingham at 6:45 pm.
